**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a senior on a limited income. I say NO to price hikes that will increase the cost of my internet and phone service. I only have a simple cell phone so Internet and land line are crucial to me. I do not even have a TV to keep costs down. I have had competitive phone service for years which helps with my monthly budget.

I also believe our country works better on open competition versus services being controlled by the decisions of a FEW companies and their shareholders.

Thank you.
